

FAASTeam presents:

Potomac TRACON: Operation Rain Check, AM Session

Potomac TRACON brings back an Operation Rain Check event. Attend a briefing about ATC operations in the DC metro area, ask questions to FAA management, controllers, FSDO, flight service and security elements. Observe ATC traffic simulations and take a brief tour of the 4th busiest approach control facility in the United States.

Event is open to pilots and their guests. Children are welcome but should be old enough and interested enough to make it a meaningful event. **ALL PILOTS AND GUESTS MUST BE U.S. CITIZENS** and have government issued photo identification (except children).

All pilots and their guests must be registered. Walk-ups will be turned away.

Demand for this event will exceed capacity. If you remain registered and do not attend you will be taking a seat away from someone else. If you become aware that you or any of your guests will not be able to attend, please re-visit this web page and cancel the registration of you and/or your guest(s). If this event shows full please check back often as canceled reservations are made re-available. Registration closes Thursday January 21st.

Event Details

Sat, Jan 23, 2016 - 10:00 EST

Potomac Consolidated TRACON

3699 MacIntosh Dr

Warrenton, VA 20187

Contact: Randy Horner

(540) 349-7522
